Mr Iurie Armas  
Director General  
Civil Aviation Authority of Moldova  
80/2 Dacia Avenue  
2026, Chisinau  
Republic of Moldova

Dear Mr Armas,

I refer to enclosed Executory Attachment Order which was served on EUROCONTROL on October 16 April 2015 by bailiff and which has been submitted as well by registered letter to the Belgian Ministry of Foreign Affairs for formal service to EUROCONTROL.

In accordance with this Attachment Order, EUROCONTROL must comply with the following:

- Declare within 15 days the total amount held or owed to the Republic of Moldova;
- Freeze the amounts currently held and to be received as we are forbidden from effecting payment to anyone than the applicant of the Attachment Order;
- Pay the amounts held to the bailiff, at the earliest two days after the expiration of the 15 days delay for the above mentioned declaration, subject to a summons to pay from the bailiff.

We unfortunately have no choice but to act according to this Attachment Order pending the resolution of this legal matter by the State of Moldova.

This matter must be treated by the appropriate authorities in Moldova. It would seem opportune that you contact immediately the governmental entities in Moldova involved in this dispute with KOMSTROY (Ukraine) in order to resolve this matter as quickly as possible. We also advise that you contact a Belgian lawyer in order to assist you in getting this Attachment Order lifted.

As a third party, EUROCONTROL cannot act on your behalf or take any action to overturn the attachment. Please note that we have nevertheless submitted the Executory Attachment Order to our Belgian legal counsel with a view of assisting you if and when possible.

Yours sincerely,

Adriaan Heerbaart  
Director  
Central Route Charges Office
