## Romania tried to "blow up" Moldova with fake coronavirus

20.03.2020 18:33 [Share](#)

They tried to destabilize the situation in Moldova through fifty sites that disseminated knowingly false information about the spread of coronavirus infection COVID-19.

This was reported in the Information and Security Service of Moldova.

According to the agency, taking into account the state of emergency, the specialists decided to limit access to 52 sites that panicked the country.

“Anonymous administrators of these sites with fake news are interested in developing subversive activities in the information space that could in the crisis period affect the information security of the Republic of Moldova through social hatred, mass destruction and undermining the security of the Republic of Moldova,” the NIB said.

It is noteworthy that all the resources that disseminated fake information were Romanian-speaking.

## The Latest Global coronavirus death toll crosses 10 000

20.03.2020 17:52 [Share](#)

Globally, there are more than 245,000 cases of which 88,465 people recovered, in 158 countries and territories, according to various trackers. Here's what's happening on March 20:

Globally, the death toll from the virus has reached 10,048 with more than 145,000 active cases in 158 countries and territories, according to trackers. The number of infections and deaths in the rest of the world has surpassed those in China, which appears to have staunches the virus with strict measures including a complete quarantine of Wuhan since January. Italy is now ahead of China as the country with the most deaths from the pandemic. The death toll soared in Europe as Italy announced another 427 fatalities on Thursday, taking its total to 3,405, according to a tally compiled by AFP from official sources. All residents of California were ordered to stay at home Thursday in a bid to battle the coronavirus pandemic in the most populous state in the US. The statewide order, which Governor Gavin Newsom said goes into effect "this evening", is the most dramatic containment measure yet by a US state.
